Hamburg Institute of
Family Owned Business

First, international, academic
Symposium

Impressions

November 17th – 19th 2011

Hamburg Chamber of
Commerce

Scientists from the U.S., Great Britain, Italy, Germany and other countries gathered from November 17th - 19th 2011 in the Hamburg Chamber of Commerce to discuss and explore several important family business related topics.

Prof. Dr. Sanjay Goel (President of the International Family Enterprise Research Academy, IFERA, the world's largest organisation for family business research), Dr. Kathyann Kessler Overbeke and Dr. John Neff (Case Western Reserve University, U.S.), Dr. Allan Discua-Cruz (University of Lancaster, UK), Prof. Dr. Alessandro Minichilli (Bocconi University, Italy), Dr. Ursula Koners (Friedrichshafener Institut für Familienunternehmen, Germany), Sebastian Benkhofer (Witten Institute for Family Business, Germany) and other scholars presented their work and research to the symposium.

In addition, there were stimulus speeches by representatives from the business world and the academic community by Dr. Ingo Bäcker (Partner, Risk Management, KPMG), Guido M. Sollors (Partner, Business and Financial Advisor, Strunk Kolaschnik Sollors) as well as the Hamburg Institute of Family Owned Business itself, Professor Dr. Günther Strunk (Head of the Hamburg Institute of Family Owned Business), Professor Dr. Stefan Prigge (Hamburg School of Business Administration and Hamburg Institute of Family Owned Business).
